DECO2850 · DESIGN SHOWCASE · ITERATION 2

FOR CURIOUS MINDS AGED 4-8

A little friend.
A world to discover.

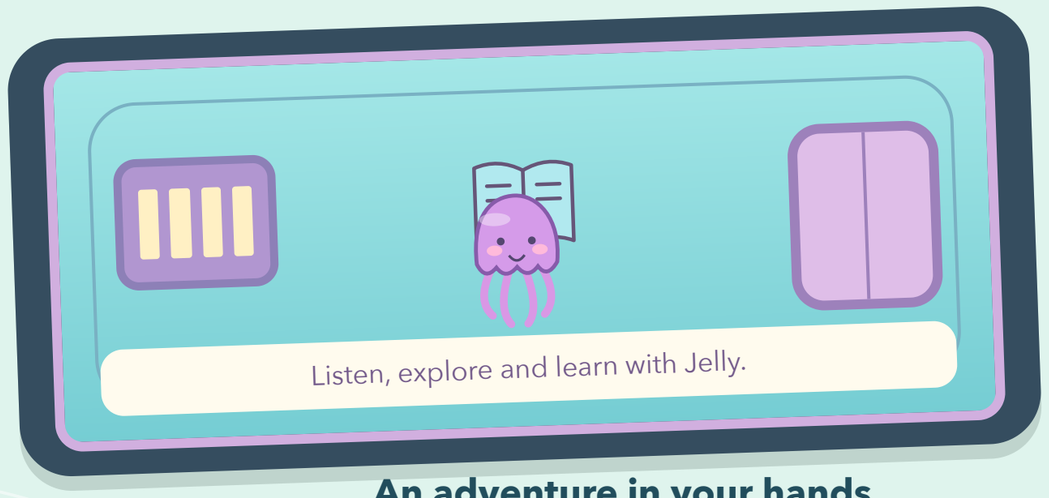

Jelly's Ocean Home brings language learning and cultural storytelling together through a companion that travels between a projection and a tablet.

A home beyond the screen

Jelly rests in the projected aquarium.

Open the app.
Jelly swims over.

An adventure in your hands

Jelly stays on the tablet until play ends.

THE EXPERIENCE Small discoveries. A bigger adventure.
